GAME PIECE CARD DETAILS

IMPORTANT!

ONLY MANAGERS CAN ACCEPT DELIVERY OF GAME PIECE CARDS. ALL GAME PIECE CARDS ARE PRODUCED UNDER STRICT SECURITY PROTOCOLS AND EVERY GAME PIECE CARD SHOULD BE HANDLED LIKE CASH!

ACCEPTING DELIVERY OF GAME PIECE CARDS

- Game Piece Cards will be delivered to your restaurant **via the Distribution Center.**
- Each Game Piece Card case contains **1,000** Game Piece Cards.
- Every Game Piece Card case is traceable via WRIN # 05663-144.
- **IF RESTAURANTS DO NOT RECEIVE THEIR GAME PIECE CARDS BY October 5, 2026, MANAGERS MUST INFORM THEIR DISTRIBUTION CENTER IMMEDIATELY!**
- Confirm the TAMPER-EVIDENT TAPE ON THE CASE(S) IS NOT BROKEN.
- Sign the delivery sheet confirming the delivery is all in order and keep your copy as proof of delivery.

IF YOUR DELIVERY IS INCORRECT OR DAMAGED IN ANY WAY you should still ACCEPT THE CASES AND STORE THEM IN A SECURE AREA. IMMEDIATELY CONTACT YOUR OWNER/OPERATOR, SUPERVISOR OR OPERATIONS ASSOCIATE INCLUDING YOUR DC TO ALERT THEM OF A POTENTIAL SECURITY BREACH AND REQUEST A REPLACEMENT FROM YOUR DC. When reporting to DC – please provide the Game Piece Card case(s) WRIN #.

The corrugated cases have been clearly marked with the following starburst:

ORDERING/DISTRIBUTION: You will receive your first delivery via auto ship from the DC.
If you have any concerns with your inventory level, please contact the DC.

STORAGE OF GAME PIECE CARDS

- As soon as you receive your Game Piece Card case(s), they MUST IMMEDIATELY BE LOCKED IN A SECURE, DRY AREA (OFFICE SAFE, LOCKED ROOM, ETC.).
- Game Piece Card cases SHOULD NEVER BE left lying around or stored in any general office, store room or cabinet where all restaurant employees have access. They must always be locked in the restaurant safe, store room or, if they do not fit in the restaurant safe, a secure, dry area that is preferably visible to security cameras.
- It is the managers' responsibility to ensure all Game Piece Cards are securely stored to avoid theft.
- Always keep Game Piece Card cases/loose Game Piece Cards (collected back at the close of business from the cash drawers) in the restaurant safe.
- Do not open any Game Piece Card cases until 11:59:59 p.m. LT on October 5, 2026.
- Only one (1) Game Piece Card case should be opened at a time until it is completely depleted.

DISTRIBUTION, TRACKING AND RECONCILIATION PROCESS OF GAME PIECE CARDS

- Managers will be responsible for making sure cashiers do not run out of Game Piece Cards throughout their shift. They should provide each cashier with a predetermined and recorded/tracked quantity of Game Piece Cards at the start of each shift.
- Game Piece Cards should be treated like cash and the same procedures should be followed. Managers will "count down" the safe when their shift begins. From that point until they "count down" to another manager, they are accountable for Game Piece Card functions.
- At every shift/drawer change, the manager should run a Product Mix Report and confirm that the number of participating products sold matches the number of Game Piece Cards distributed. If the number of participating products does not match the number of Game Piece Cards distributed, then follow the same procedures as you would for cash registers not balancing.
- For Drive Thru orders, it is recommended that Game Piece Cards be handed out in the back cash booth with the customer's receipt to allow for verification by customer prior to leaving the lot. Crew can reference the amount of Game Piece Cards required for that order on the POS.
- For Digital and McDelivery orders, it is recommended that Game Piece Cards be placed in the bags at the end of order assembly by designated crew member/manager, so the Game Piece Cards are one of the first items seen by the customer. Crew can reference the amount of Game Piece Cards required for that order on the EXPO monitor.
- For unassisted pickup, it is recommended that a sticker be placed on a folded bag to protect against tampering of Game Piece Cards prior to customer pickup. Crew can reference the amount of Game Piece Cards required for that order on the EXPO monitor.
- For front counter orders, it is recommended that Game Piece Cards are handed out to the customer with their receipt to allow customers a chance to verify they received the correct number of cards by the time they receive their full order. Crew can reference the amount of Game Piece Cards required for that order on the POS.
- Please consult with your Owner Operator or Supervisor on how your store will distribute these Game Piece Cards.
