DAILY/WEEKLY

SUPPLIES:

KAY® SolidSense™ All Purpose Super Concentrate (APSC)

KAY® Rapid Multi Surface Disinfectant Cleaner Solution

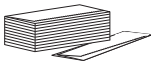

KAY® QSR Heavy Duty Degreaser

KAY® QSR Oven Rinse Aid

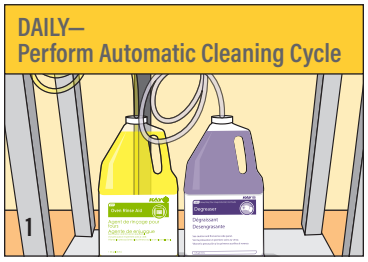

Clean Sanitizer-Soaked Towels

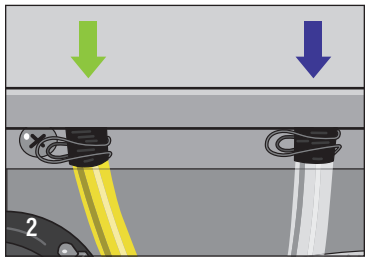

Paper Towels

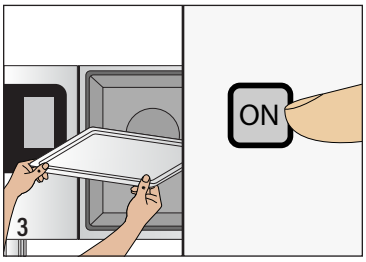

This procedure applies to Convotherm and Convotherm Gen 2.0 Combi Ovens

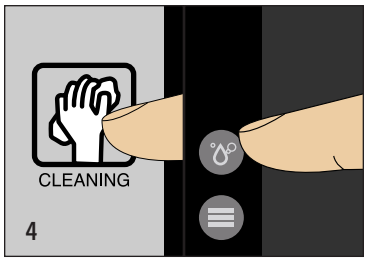

- Check Degreaser and Oven Rinse Aid products, ensuring pickup probe is inserted into container and containers contain product

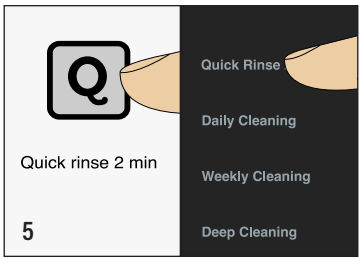

- Ensure Oven Rinse Aid is installed on the left and Degreaser on the right

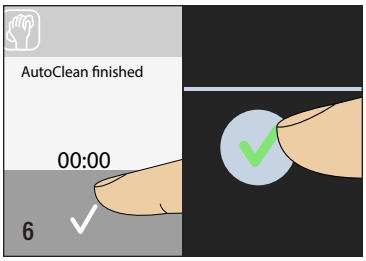

- Open door to remove any trays or food in oven
- Turn oven ON if necessary and ensure door is closed

- Press CLEANING on main menu to move to the cleaning screen

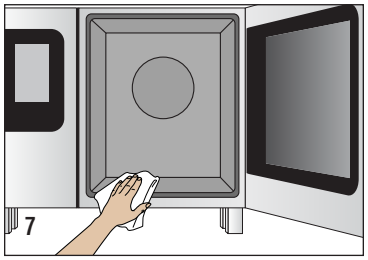

- Select the cleaning cycle needed
  QUICK RINSE 2 minutes – use ONLY after cooking bacon
  DAILY CLEAN 47 minutes, (once per day)
  NOTE: WEEKLY and DEEP CLEAN should not be needed if oven is cleaned daily

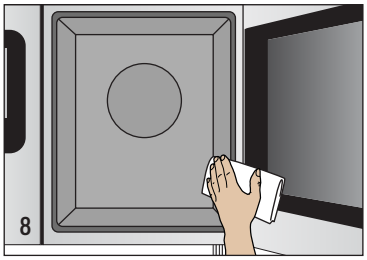

NOTE: DO NOT open door during cleaning cycle

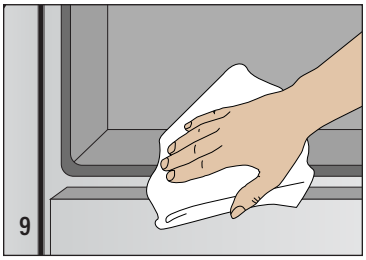

- When cycle is complete, press **FINISH**

- Use a clean, sanitizer-soaked towel to wipe door and door gasket
- Discard towel into soiled towel bucket

- Use a clean paper towel to dry door gasket thoroughly
- Discard paper towel

- Wipe drip tray with a clean, sanitizer-soaked towel sprayed with Degreaser
- Discard towel in soiled towel bucket

OVENS—CONVOTHERM® COMBI (CONTINUED)

DAILY/WEEKLY

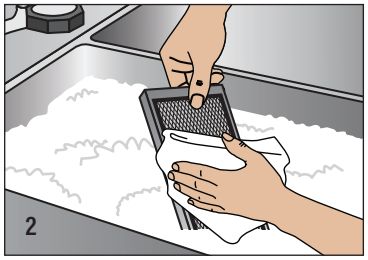

- Use clean, sanitizer-soaked towel sprayed with Rapid MSDC Solution to wipe all exterior surfaces, including hood

WEEKLY—Clean Ventless Hood—At closing or 4am for 24 hour stores

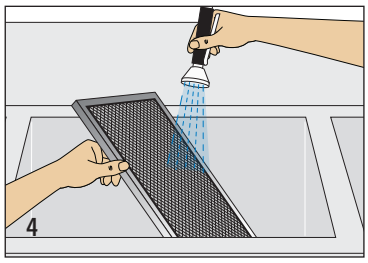

- Remove mesh filter (pull out and down)

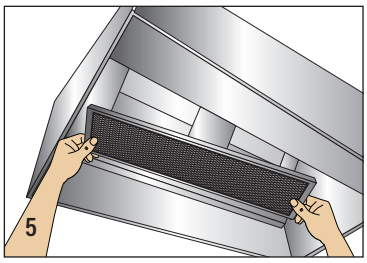

- Take mesh filter to 3-compartment sink and soak in fresh, **hot** APSC Solution for 10 minutes OR wash in warewasher

- While filter is soaking, wipe interior of Ventless Hood with a clean, sanitizer soaked towel sprayed with APSC Solution

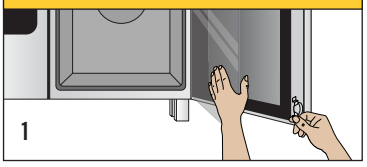

- Rinse filter thoroughly and let air dry OR remove filter from warewasher and let air dry

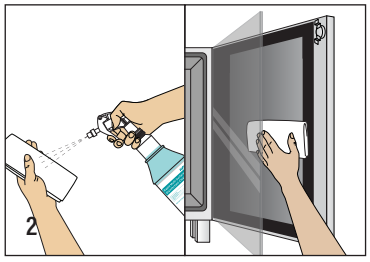

- When filter is dry, replace filter in Ventless Hood
- Slide top of filter into track and push bottom of filter into track; push down to secure filter

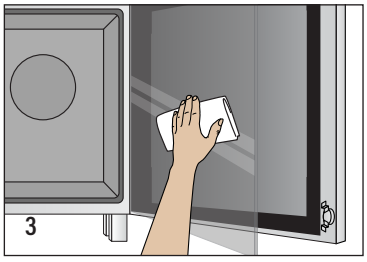

WEEKLY—Clean Double Glass Door At closing or 4am for 24 hour stores

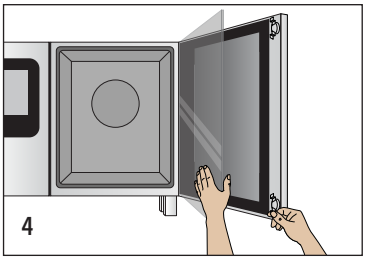

- Turn quick release catches on glass door to open

- Use a clean, sanitizer-soaked towel sprayed with Rapid MSDC Solution to clean between glass panels
- Discard towel in soiled towel bucket

- Use a clean paper towel to dry glass, and discard paper towel

- Close double glass door and turn quick release latches to secure
