ODS Details:

Powerful manual pump empties 50 lb (23 kg) of oil in less than a minute. Low profile, 8 in (203 mm) pan height allows unit to roll under nearly any fryer for direct draining. one-piece discharge pipe swings at height to clear most containers. Hinged drain pan lid latches closed over perimeter seal to prevent spills. Swivel casters in front, large 7 in. (178 mm) rear wheels for smooth, stable transport.

ODS Conversion Kit for LVE 200 Series
